The National Transportation Disaster Recovery Strategy (NTRS)

Office of Intelligence, Security and Emergency Response
Policy and Plans Division
Janet Benini
Goal

Enhance the resilience of the US transportation system by improving its ability to accommodate damage from any hazard, through efficient post-incident recovery operations
Partners in Development of NTRS

- States
- Professional Associations
  - National Emergency Management Association
  - International Association of Emergency Management
  - National Governors Association
  - National League of Cities and Counties
  - American Association of State Highway & Transportation Officials
  - U.S. Chamber of Commerce
- Research Organizations
  - Transportation Research Board
  - University Transportation Centers
  - Public Entity Research Institute
  - University of Colorado Hazards Center
- Other Federal Departments
Phased Approach

• Phase One
Phase Two
